Hello Bill,

Releasing from Hold - this app (1454299884 NVIDIA GeForce NOW) has been rejected by ERB for the following reason(s):

Reject - 4.2.7 - Needs to use open web or wrap individual games into their own game apps

Closing open ticket form last week. Please let us know the outcome of discussions.

Please keep in mind that rulings can be case-by-case. Follow up with a Policy team member if you have any questions.

Thanks,
Mary Brunson
